Copenhagen

I have lived in Sydney for 2 years but am originally from Copenhagen, Denmark. One of my favourite places in Copenhagen is New Harbour, which you can see in the photo. It is one of the biggest tourist attractions but it also has some of the oldest pubs and is in close proximity to the beautiful walk along the harbour.

Hiking!

My favourite activity in Sydney is going on all the beautiful hikes/walks surrounding the city! Even though it is a classic, one of my favourite walks is the "Bondi to Cogie". But I also enjoy going across the bridge to Bradleys Head. The best place for hiking is down south in the Royal National Park. I have done the popular 26K coastal walk that takes you from the one end to the other of the park.

Studying at cafes

The best way to study in Sydney is to go sit at one of the many cosy cafes and order flat white after flat white :)

The background is a solid blue color with a low-poly, geometric pattern of various shades of blue. A thin, light blue dashed line runs horizontally across the bottom of the image, and a vertical dashed line runs down the right side, intersecting the horizontal one.
